REIKI

Prices range from £40.00

Reiki is an ancient healing art, which channels UNIVERSAL LIFE FORCE ENERGY. The treatment includes hands-on and distant healing

This curative therapy is now recognised by the medical profession and is extensively used in hospitals to help in reducing blood pressure, pain relief and calming patients prior to surgery. Reiki works in total harmony with orthodox medicine

It is a wonderfully relaxing treatment, a great stress buster and a non-invasive therapeutic experience, carried out with the patient fully clothed.

Benefits include relief from headache, backache, boosts circulatory and lymphatic systems, which in turn aids the body's innate healing ability.

Reiki can also be experienced as sheer indulgent way or totally relaxing mind and body

You can book for a completely free and without obligation consultation with Ann Page our Reiki Master and Teacher
